LEADERSHIP HACKS

By Tom Herbert, HNI Elder

WHY COME TO A REGIONAL GATHERING?

RELATIONAL DEVELOPMENT
These smaller events are uniquely sized to permit relationships to grow so we are never isolated.

NETWORKING
These regional events allow time to build relationships with people near enough to you to make a difference in tough times and to support one another with diverse gifts.

INTERACTIVE LEARNING
There can be much more interactive teaching and learning in a smaller gathering. Our goal is to have a third to a half of our teaching time be given to interaction and discussion.

PERSONAL MINISTRY
Leaders need ministry that we often don't receive, because we are so committed to and busy taking care of others.

I yearn to come and be face-to-face with you and get to know you. For I long to impart to you the gift of the Spirit that will empower you to stand strong in your faith. Now, this means that when

we come together and are side-by-side, something wonderful will be released. We can expect to be co-encouraged and co-comforted by each other's faith! (Romans 1:11-12 TPT)

Leadership Hacks? What does that even mean? When I was in college I dreaded taking Linguistics because I had heard that it was very hard and kind of boring. Well, it was both! But, I did learn a lot about the way that languages change over time and why they change. The word "hack" evolved in definition from something you do with an ax at a tree to the modern use of the word which means solutions or work-arounds. In other words, we are in a season of doing ministry outside of the box as we discover new creative strategies in times of change.

The pace of change that is happening all around us seems to be accelerating and, because of this reality we must all learn new so-

lutions and work-arounds in order to continue the ministry that God has given to us. One of the benefits of belonging to Harvest Network is that we can learn and grow from one another and share what the Holy Spirit has been revealing to us.

At this year's Regional Gatherings, we are going to change up the format and make the sessions much more interactive in order to provide a venue to share what "hacks" you have been discovering in these days of great change. We are also going to plan more time for prayer and impartation as well as comfort and encouragement.

We will also be showing one of the teaching videos from Doug Stringer who was scheduled to be our main speaker at this year's National Assembly. These videos are full of powerful truths about the need for a Leadership Awakening in our day.

The Apostle Paul so beautifully wrote to the church in Rome how much he longed to spend time with them face-to-face. Likewise, we look forward to these Regional Gatherings when we can see one another face-to-face! Please mark your calendars and try to make it a priority to attend one of the seven Regional Gatherings.
